THE OPPORTUNITY

Sitings Realty Ltd. and Royal LePage Commercial are pleased to present this amazing opportunity for owner-users and investors seeking high-quality real estate in an emerging commercial node. Innova, developed by Cascadia Green, is a new mixed-use residential and commercial project designed as a vibrant, walkable neighbourhood hub. The Blok, its commercial component, is designed to accommodate a mix of retail, cafés, eateries, services, offices, fitness, and childcare uses featuring a pedestrian-oriented activated laneway.

Highlights include:

- Centrally located in the MoodyVille neighbourhood of North Vancouver
- Immediate area experiencing significant residential and population growth
- 360-degree surrounding population base supporting strong and sustained retail demand
- Prime Frontage along West 3rd Street corridor, a key east-west arterial with high traffic volumes
- Limited supply of strata retail opportunities in North Vancouver supports long-term value
- High-exposure unit featuring contemporary, modern storefront design
- Secure subsurface parking stalls designated exclusively for commercial use. Street parking also available in the area
- Generous ceiling heights and an abundance of windows enhance visibility, flexibility, and customer experience
- Well suited for a wide range of active and service-oriented uses, including fitness, wellness, medical, beauty, professional services, restaurants, and food focused operator
- The unit is equipped with the necessary building services to support restaurant operations, including a dedicated vent shaft for commercial kitchen exhaust systems.

PROJECT & UNIT OVERVIEW

Innova is a vibrant, master-planned mixed-use community designed for modern urban living. The development features 172 contemporary residences, including studios, one and multi-bedroom condominiums, townhomes, and versatile live-work units, all thoughtfully arranged across three striking mid-rise buildings.

At the heart of Innova is The Blok, its dynamic commercial destination and the emerging village centre for the Moodyville neighbourhood of North Vancouver. Envisioned as a vibrant, pedestrian-friendly hub, The Blok will offer approximately 29,000 square feet of highly visible, high-exposure retail space across 22 units. The project also includes 11 two-level live/work units, with approximately 6,997 square feet dedicated to the street-level "work" component, typically designed for commercial or professional use. Designed to attract a curated mix of shops, services, and local businesses, The Blok will activate the streetscape and serve as a daily destination for residents and the broader community.
