Seeking Interior Mall Locations Across Western Canada

SUMMARY

Mobile Q is a wireless and telecommunications retailer focused on providing top of the line mobile accessories and high level repair services at affordable prices. Unique to Mobile Q, all employees partake in their “extensive training program” where they learn the product line, sales techniques and efficient repair systems. <http://www.mobileq.ca>

Since 2009 Mobile Q has concentrated primarily on the mobile wholesale business; importing products from China to Canada. With the completion of their new store concepts and 7+ years of wholesale and retail experience, Mobile Q is now looking to expand into major malls across Western Canada.

Now is a great time to secure an experienced Telecom accessories and repair tenant who is dedicated to long term success as 68%+ of Canadian’s now own a smartphone; which is a 24% increase over last year.
