PROJECT SUMMARY

The Shops at North Harbour are part of the North Shore's newest waterfront community - North Harbour by Concert. North Harbour is a vibrant 12-acre master-planned community complete with living, shopping, and playing at the water's edge in North Vancouver. Upon completion of all phases, the community is expected to include 700 condominiums, 110 rental units, and 125 seniors' active aging residences. Phase 1 is currently under construction and will comprise multi-family residential units with retail at grade. Highlights of the retail component include:

- ✦ Situated at one of North Vancouver's most active waterfront locations.
- ✦ Excellent location surrounded by a large daytime workforce and visitor base.
- ✦ Adjacent a new civic park and plaza, a destination for enjoying the waterfront and city views.
- ✦ Along the North Shore's popular Spirit Trail, a fully accessible 35 KM greenway that will extend from Horseshoe Bay to Deep Cove.
