THE OPPORTUNITY

Sitings Realty Ltd. and Royal LePage Commercial are pleased to present this amazing opportunity for owner-users and investors seeking high-quality real estate in an emerging commercial node. Innova, developed by Cascadia Green, is a new mixed-use residential and commercial project designed as a vibrant, walkable neighbourhood hub. The Blok, its commercial component, is designed to accommodate a mix of retail, cafés, eateries, services, offices, fitness, and childcare uses featuring a pedestrian-oriented activated laneway.

Highlights include:

- + Centrally located in the Moodyville neighbourhood of North Vancouver
- + Immediate area experiencing significant residential and population growth
- + 360-degree surrounding population base supporting strong and sustained retail demand
- + Prime Frontage along West 3rd Street corridor, a key east-west arterial with high traffic volumes
- + Limited supply of strata retail opportunities in North Vancouver supports long-term value
- + High-exposure unit featuring contemporary, modern storefront design
- + Secure subsurface parking stalls designated exclusively for commercial use. Street parking also available in the area
- + Generous ceiling heights and an abundance of windows enhance visibility, flexibility, and customer experience
- + Well suited for a wide range of active and service-oriented uses, including fitness, wellness, medical, beauty, professional services, restaurants, and food focused operator
- + The unit is equipped with the necessary building services to support restaurant operations, including a dedicated vent shaft for commercial kitchen exhaust systems.

PROJECT & UNIT OVERVIEW

Innova is a vibrant, master-planned mixed-use community designed for modern urban living. The development features 172 contemporary residences, including studios, one and multi-bedroom condominiums, townhomes, and versatile live-work units, all thoughtfully arranged across three striking mid-rise buildings.

At the heart of Innova is The Blok, its dynamic commercial destination and the emerging village centre for the Moodyville neighbourhood of North Vancouver. Envisioned as a vibrant, pedestrian-friendly hub, The Blok will offer approximately 29,000 square feet of highly visible, high-exposure retail space across 22 units. The project also includes 11 two-level live/work units, with approximately 6,997 square feet dedicated to the street-level “work” component, typically designed for commercial or professional use. Designed to attract a curated mix of shops, services, and local businesses, The Blok will activate the streetscape and serve as a daily destination for residents and the broader community.

PROJECT BUSINESSES

LOCATION

City of North Vancouver

Located across Burrard Inlet from downtown Vancouver, the City of North Vancouver is known for its exceptional livability, natural surroundings, and access to outdoor recreation. The city features a walkable waterfront at Lonsdale Quay and a diverse and growing population of approximately 60,000 residents.

The Moodyville Area

Moodyville is a revitalized residential neighbourhood offering modern housing, parks, and excellent access to amenities. Highlights include Moodyville Park, the North Shore Spirit Trail, and proximity to the Lonsdale corridor, Lonsdale Quay Market, and the SeaBus. Recent rezonings support approximately 1,500 new homes.

The Blok Commercial Hub

Located at East 3rd Street and St. David's Avenue, The Blok Commercial Hub is an emerging village centre for Moodyville, offering a mix of local retailers, professional offices, and essential services for everyday needs.
