New Premium Retail Strata Units for Sale
2727, 2741, and 2749 Kingsway, Vancouver

Project Overview

A masterclass in the fundamentals of good real estate, Frame offers a rare opportunity to own commercial space in Vancouver's emerging urban centre. Prominently located at the corner of Kingsway and Earles Street, directly across from a future city plaza, Frame benefits from excellent visibility and exposure in a rapidly evolving neighbourhood. Retail ownership opportunities range from 972 to 4,162 SF, with designated patio areas, ceiling heights of approximately 13 to 18 feet, and expansive glazing that provides abundant natural light. With significant residential growth planned for the surrounding area, Frame is well positioned to benefit from an expanding local population and increasing activity along the Kingsway corridor.
